

GENERAL TERMS AND CONDITIONS FOR PURCHASE ORDERS – ATTACHMENT I

When the Order includes Products which are for use in connection with a U.S. Government prime contract or subcontract, the following additional terms and conditions shall apply as required by the terms of the prime contract or by operation of law or regulation. Buyer is flowing down to Seller certain provisions and clauses from the Federal Acquisition Regulations (FAR) and Department of Defense (DoD) FAR Supplement (DFARS) (collectively, "FAR Clauses"). These FAR Clauses are hereby incorporated by reference, as applicable, and in the manner set forth below, as modified by any parenthetical information. FAR Clauses inapplicable to the performance of this Order under Buyer's Government contract are self-deleting. If the substance of a FAR Clause is different than the substance of the clause actually incorporated in Buyer's Government contract, then the substance of the clause actually incorporated in Buyer's Government contract shall apply instead. The parties hereby agree to include in these Supplemental Terms and Conditions any additional or revised FAR Clauses incorporated in Buyer's Government contract that are applicable to the performance of this Order. The parties shall handle any amendments to these Supplemental Terms and Conditions under Clause 10, Changes. Seller shall flow down to its lower-tier subcontractors all applicable FAR Clauses and any other requirements of this Order and applicable law so as to enable and ensure that Buyer and Seller comply with all applicable requirements of Buyer's Government contract. It is intended by the parties that these FAR Clauses shall apply to Seller in such manner as is necessary to reflect the position of Seller as a subcontractor to Buyer, and to insure Seller complies with its obligations to Buyer and to the Government, and to enable Buyer to meet its own contract obligations to the Government. Consequently, in interpreting and applying FAR Clauses flowed down to Seller, and as context requires, the terms "Contractor" and "Offeror" shall mean Seller, the term "Contract" shall mean this Order, and the term "Government", "United States", "Contracting Officer", "Administrative Contracting Officer" and equivalent phrases shall mean Buyer and/or Buyer's Procurement Representative. In addition, the term "Commercial Item" means a commercial item as defined in FAR 2.101. However, as an exception to the foregoing, the terms "Government" and "Contracting Officer" do not change in the following circumstances:

- (a) in the phrases "Government Property", "Government-Furnished Property" and "Government-Owned Property";
- (b) in the patent rights clauses incorporated herein, if any;
- (c) when a right, act, authorization or obligation can be granted or performed only by the Government or a Contracting Officer or his/her duly-authorized representative;
- (d) when title to property is to be transferred directly to the Government; and
- (e) when access to proprietary financial information or other proprietary data is required, except as otherwise provided in this Order.

FAR Clauses flowed down by Buyer to Seller pursuant to this Attachment I may require submission of certificates. All such required representations and certifications made by Seller in connection with these FAR Clauses, including all such certifications submitted by Seller with its offer, are hereby incorporated in this Order by reference. Seller shall, with respect to applicable FAR Clauses flowed down pursuant to this Attachment I, furnish to Buyer (or directly to the Government upon request of Buyer) any certificate required to be furnished by any FAR Clause and any certificate required by any further U.S. law, ordinance, or regulation with respect to Seller's compliance with the terms and provisions of U.S. laws, ordinances, or regulations. As used in this paragraph, the word "certificate" shall include any plan or course of action or record keeping function, as, for example, a small business subcontracting plan for which flow down is required.

Seller shall indemnify, hold Buyer harmless, and at Buyer's election, defend Buyer and its Customer(s) and their respective officers, directors, employees, and agents from and against any price reduction in Buyer's contract, as well as Buyer's reasonable attorney fees and other direct costs to defend contract claims from Buyer's Customers when said reduction is attributable to the failure of Seller or Seller's Suppliers at any tier to properly discharge applicable duties under the Truth in Negotiation Act, Cost Accounting Standards and other applicable clauses incorporated by reference in accordance with this Attachment I. These Supplemental Terms and Conditions are in addition to and not in derogation of the General Terms and Conditions and any "other" terms and conditions of this Order; however, in the event that any Supplemental Term or Condition is determined to be inconsistent with any printed General Term or Condition or any "other" term and condition of this Order, the Supplemental Term or Condition shall govern.
